

Dear Applicant,

Thank you for your interest in Retirement Village accommodation. Fullarton Lutheran Homes offers two options to prospective residents, Independent Living Units and Serviced Apartments.

Both Independent Living Units and Serviced Apartments require residents to sign a Loan License Agreement. An Ingoing Contribution, which is variable, is charged on entry and the amount will be advised during discussion at the time of availability of accommodation. Payment of the Ingoing Contribution is due on the date of entry (or shortly thereafter, by negotiation). Deferred Management Fees totaling 30% of the full Ingoing Contribution cost will be deducted at the rate of 15% upon entry and 5% at the 12, 24 and 36 month anniversary of the entry date.

There is no personal care provided to the residents in the Retirement Village. Dependent on availability, a resident may be able to transfer from the Independent Living Units to a Serviced Apartment or to care accommodation should the need arise.

We have 39 Independent Living Units on-site which are located at 47, 49 and 52 Fisher Street, 2 and 8 Watson Street and 7, 9, 15, 17, 19 and 21 Frew Street. Residents pay a Service Fee which is currently \$15.23 per day. We also have 25 Units Located in Para Vista at FLH Good Shepherd Retirement Village. Residents pay a Service Fee which is currently \$11.97 per day. The Service Fee is reviewed, and may be increased, in January each year.

Serviced Apartments are located on the northern side of the Home's main complex on Frew Street. The Accommodation Fee is currently \$53.05 per day for a single person and \$48.23 per day per person for couples sharing an apartment and includes all meals, provision of clean linen and cleaning of the apartment once per week. The Accommodation Fee is reviewed, and may be increased, in November each year.
